### **Planetary Conjunctions:**

Generally, Conjunction word is used for presence of two or more Planets with in a Sign/House.

Though it has wider area of application.

First of all, we will start with Conjunctions of only Two Planets with Systematic Approach.

Member can posts the sample horoscopes which have the Planetary Conjunction as per Current Topic of Discussion and share the feedback I.e. whether the Rule/Conjunction is applicable or not?

Conjunctuon of: Planet X + Planet Y

Means: Planet X is at lesser Degrees than Planet Y

For example:

Sun + Moon means Sun is at lesser Degrees than Moon or one can say ~ Sun is behind Moon.

**Planetary Conjunction: Example 1 **Moon + Rahu Conjunction:****

Both have Applying Aspect on each other.

Possible impacts:

- \* A Water/Severage Tank in the House
- \* A Well in the House
- \* Toilet in North/SW Direction

- \* Separation from Mother in Childhood
- \* Mother having health issues... Insomnia, Rheumatoid, Gastric
- \* Walking during Sleep

Sir, if there's a Moon, Rahu and Jupiter then it doesn't remain as Moon, Rahu, right? Pretty obvious but just wanted to confirm.

Also, if Moon is involved in exchange with a planet X then how dramatically it changes the perceived results of Moon and Rahu combo?  
Sir, Rahu blocking moon we have found that mother of such native is very possessive about the child. This becomes impediment in child's progress. Such native find it difficult to leave house for higher education or job, such mother has strained relation with her daughter in law

Chart of someone close I know having Moon + Rahu combination in Krittika Nakshatra

Please remember only one thing of Rahu

That is, it amplifies multifold the inanimate things and destroys animate things. For e.g. if one has got venus/rahu combination, he may have more than one house, more than one vehicle, plenty of bank balance: but his relationship with his wife is fully destroyed.

This one rule is enough for all the combinations of Rahu.

Person is very much connected to mother

Someone from father side was having divine connection with devi Bahot zayada acchi nahi halaki inke grand father where richest person in town but 2nd generation main sab khatam ho gaya

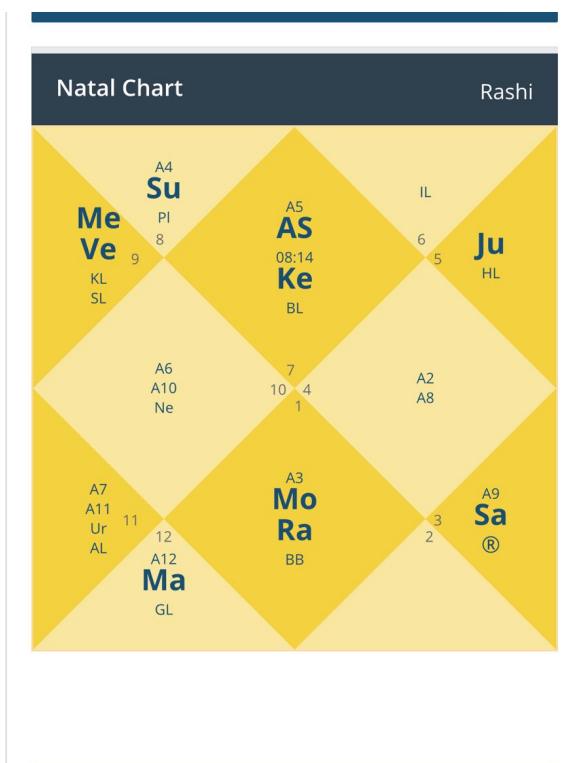

Another combination of moon rahu, exaggeration of emotions. She is teenager

Great grand father was having milk business

Birth Details Please

Moon Rahu Degreewise conjunction as also Mercury in Gandantha has resulted in accute depression and mental maladies

Rahu also indicate Darkness inside the Room/House.

I have seen many case studies where no direct presence of Rahu's impact is observed.

Let me clear here two points which lead towards Fatal Mistakes which further results in Wrong Analysis.

1. Try to understand the Planetary Conjunction/Combination's Nature I.e. is it Transit or Natal ?

Here, Natal Conjunction points the surrounding Conditions of Birth Place, Not of Present!

Being Moon in Libra with Rahu here Mother will be involving in resolving disputes of other. Being Sun next to moon conjected she would hold authority's

Surgery can happen if Mars is in Scorpio

This combination may also bring health and the person will be a care free spender

sorry.. read as wealth....instead of health.....

: Artistic quality will magnify

: Materialistic matter of moon will be significantly improve

Yes... Moon is Karka of Expenditure. Strong Moon I.e. having Expenditure Capacity.

Rahu in Conjunction of Moon can leads towards Care Free Spender. Rahu indicates Vastness.

That's why we need to look on a Planetary Conjunction like a Coin.. which has Two Sides.

Now question arises... Which side will be more effective?

Mars is Scorpio, planetary position is attached with the chart.

Pls explain, Why so..? I have moon Rahu and retro Saturn in lagna and crossed the sea.

This is a very complicated case study.

\* Rahu - Moon in Conjunction as well mutual Separating Aspect.

\* All the Planets are hammed between Nodes.

\* 5 Planets are in Conjunction.

: If we Focus in Rahu + Moon, from Native's condition ... There whatever native is suffering, parents, specially mother seems more suffering.

Both are paying for mutual Karmic bondage!

: Brain Surgery and Small foot is have other Planetary reasons, though Rahu + Moon is an additional factor there.

As per BNN, Asc and House/s are not given weightage. At Primary Level, Planetary Condition and at Secondary Level, Sign is given importance.

Scorpio {Moon + Rahu} may result into Insomania, Fear, Depression, Poor Digestive System etc. On positive side, Native could be of Artistic Nature and may like Travelling.

Consider the exchange effect after 30th year.

Yes. It is based on the first round of saturn which is a karmic planet abd also indicating native in bnn

Ok if shani is at 16 degree in horoscope then why it will take 30 years for first round

He will take 2.5 years for moving one sign to other sign . Means 12 sign is 2.5 X 12 sign multiple answer 30 years to come back to same Rashi sign  
Okay means after 30 years shani will cum at same degree where it is in horoscope that i know but when will exchange happen

If they start writing in Tamil - will that be fine with us???

When we have exclusive Hindi group why we had to fight with this subject again and again

Mother is hail and hearty, but obviously when child is suffering mother will suffer along.

if moon rahu conjunction in scorpio second house but if moon exchanges rashi with cancer mars in 10th then when should we consider  
Before Sign Exchange: Moon + Rahu & After Sign Exchange: Mars + Rahu.  
As per BNN, Asc and House/s are not given weightage. At Primary Level, Planetary Condition and at Secondary Level, Sign is given importance.

This is good for who has Retro Saturn or people who have concentration problems

Let me remind again:

This group is for English Language known Members.

For Hindi Language, we have another group. That group is also functioning very good. So, all members are requested to join the respective groups according to language known to them.

Members are requested to share the information/views related to Current Topic of Discussion only.

We need minimum 30 Birth Details and the concerned information.

Strictly: To stay here, every one has to participate as per their knowledge, Else may leave the group by their own or Admins have to remove as last option.

We should continue with Rahu + Moon Conjunction with more example charts.

Like:

\* Rahu + Moon and

\* Moon + Rahu.

Need to differentiate between both Conjunctions.

When Rahu + Moon both are going away from each other and the effect of Rahu on Moon very little.

When Moon + Rahu they are coming closet to each othet and there is real danger to the mother of the native health wife and overall a bad combination.

Read as.....healthwise....not wife..... excuse me. Sorry  
Sir if degree wise ket < moon <sat are posited than effect ?  
Out of concern topic.

Post it when discussion will start for Ketu+Moon

Rah<moon .Sorry not ketu.by mistake

I have given the difference. Rahu and moon getting together and moving away.

1971 born, mother health is good but sufferings are there, native was selected as judicial magistrate in 2000 but Oct 2001....? Please explain was it due to conjunction. Moving away will have problems for the mother in the young age of the native. As he grows up the problems to the mother subside.

Reverse is the case when Rahu and Moon closes together.

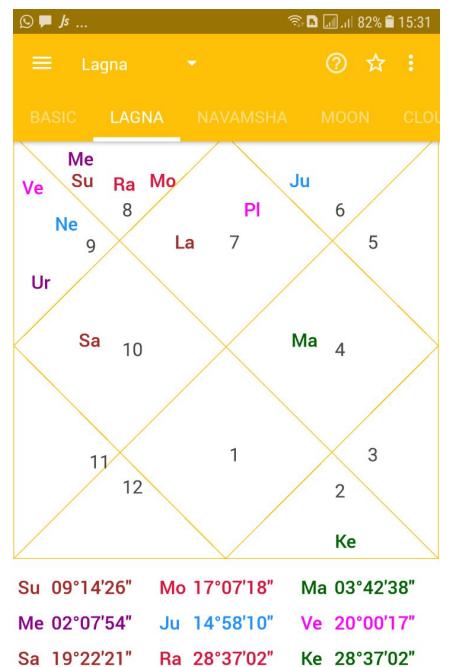

Here moon has moved away from rahu. Hence there is not much of problem.

Reg. 2nd question, what happenef in 2001 oct? Any way as it belongs to profession we will discuss while we discuss about moon + saturn.

Moon very Weak although its Exalted

The mother of native have to struggle a lot in her life.

Mer+ Ma\*+Sun+Moon+ Rahu...In this combination interesting point is:

Sign Exchange between Moon and Mars, but they remained in same Direction!

So, Moon got only partial relief from the clutches of Rahu! So, would be able to flight back and stand on her feet to get success. Though, here Mars ~ Husband, may face some issues.

2020 end

Massive disaster will be happen

How ???

May the Mer Mar sun have given her technical knowledge and moon Rahu in film editing. Sign is also Scorpio

I will comment on this give me some time

Okay but sir here degrees of planets makes any difference ? As when mars exchange with moon then its far from rahu so can we say her husband had struggled a lot before marry her

Yes possible

For which horoscope?

he native of this chart looking at the directions of the planet looks like very intelligent and this person will think as if he or she is right in every matter further the native will not listen to anybody he or she will do only what he or she likes now as Jitendra ji has explained about moon and Mars exchange here what is happening the husband likely to be in shipping company the husband will be very much emotional humble further the native will have and tendency to come out with any sort of situations

Please don't get offended the mother and the native will have a cheating tendency in Mumbai we call as Jhool

These people are these people are likely to get cheated by someone as well

For 92 horoscope you are saying??

Again on this case the husband of the native will shine immediately after marriage

Mother and native both cheating tendency how?

Most of the systems available in market are not available with a Complete Systematic Approach.

Its because none will give their secrets. People may publish books but the exact details will not be available. One has to research these and look for results.

Introducers either have not revealed the Complete Systematic Approach or even they himself do not know the detailed.

Its like in ancient days when users were going to Gurukul to learn all ashtra and shastra. Remember about Sri Raam ji and Pandava's ?

Here second part seem more correct. Most of the modern so called stalwarts want to get promoted themselves as Gurus.

: Guru need to have willing for pass on the knowledge

Anyways have a gr8 day ahead??

If want judge their reality beyond FaceBook Profile and beyond the Propagandas of done by Chelas of such Gurus... If one is able to visit such Facebook Guru's homes, then only one can notice how much BAD astrologer he/she is ?

As moon signifies mind

And Rahu signifies wine, smoke, tabacco, cigarette etc. So can we say native will be addicted to these things

I think weak moon can give

Now, look for Conclusion of Rahu + Moon and Moon + Rahu Conjunctions:

1. When these Conjunctions can result as Benefic?

2. When these Conjunctions can result as malefic?

Try to summarise with some Conclusion.

Kindly Add Moon Adultery aswell

I doubt for Moon + Rahu Conjunction can yield/support Adultery in alone. Though, this Conjunction may support Exploitative Features... Either getting Exploited or Exploiting others!

Mercury is necessary along with moon for adultery

If Rahu Moon, gains from maternal ancestors.

It depends on other Graha conjunction. If Budha too in conjunction, then land property indicated.

5 Rahu 5from moon die in water fear from water

Yes. Moon and mercury are two mischevious planets as far as illegal relationship concerned.

In Purana it is said that Mercury is an illegal child of moon through the wife of Guru, Thara.

So the combination of mercury / moon indicates illegal relationship, sexual abuse and these people are sexually abused also. The other planets like, mars, rahu/ketu, saturn and sun indicates to what extent etc., Moon+mercury+mars... May be worst...?

Rahu Moon Saturn

Indicates start of new phase of Karma in the form of fear

As we are discussing Rahu ( Maya) and Moon (Manah), limiting to it only. Moon + Rahu Conjunction is effective here in Aries Sign. So, after birth of the mother might have faced some issues. Can you share about the condition/longevity of Native's father? Other Planetary conditions are very powerful, so this native have got success to overcome the side effects

of Moon + Rahu Conjunction

Father is alive

For Adultery, I suggest to go with whole Horoscope, else only one or two Planets based interpretation can result in to errors

Thanks... Then adverse effects of Moon + Rahu Conjunction.

In this horoscope as sayurn is retro, there is no direct aspect on Sun.

Hence there is no problem for the father.

Moon / Rahu effect to be seen.

As per vedic astroligy Rahu in the fourth house gives ling life to mother. Awaiting feed back.

In Female native there will lot of worries related to inlaws.

Male charts their will work realted worries.

This combination is basically says about "worries".

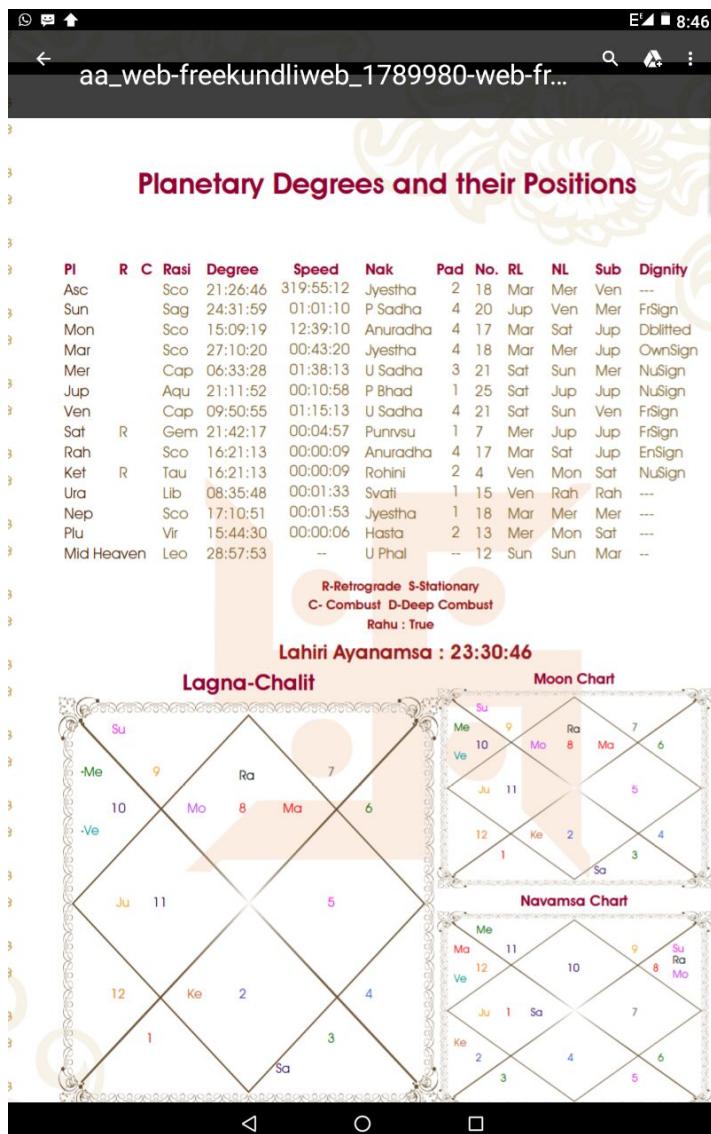

Remember Rahu will never CUT or Stop it will only multiply  
Saturn alone, no planets adjacent or opposite (Ketu a shadow) gives no fixed career and wandering, but fortunate and falls on his feet as Saturn is exalted and mars with venus

rahu,moon.psycriatri ttreatment needed

Dear all

I am new to the group, this is just my thought.

Rahu splits, Rahu Moon can also be split personality , so psychiatric treatment might be required.

Kp is for those who is more dependant on only mathmatic calculations they dont understand spritual and holy blessings of astro science

Rahu + Moon Conjunction, also Sign Exchange between Jup and Ven. This way Moon becomes more weak. There are many house empty ahead of Moon.

Mother would have issues@mental disturbance, self-made, Travelling, foreign tour etc

Sir what would be it's impact on native

Mind would be restless. Whatever is shown... Would have less than in possession.

Would father had benefits after this native Birth

Yes I can say some benefits

: Some losses too

Yes possible... Venus karka of wealth has loosed her status of Exaltation after Sign Exchange

What profession would be best for him which line should he adopt?

Financial services providing sectors

Good Morning - thanks for allowing me to witness excellent discussion.

Some overnight thoughts - "Shanivat Rahu Bhaumvat Ketu" Therefore will moon + saturn will give similar results? Will it be only when Saturn is retro and applying or always?

Good morning. In nadi astrology the roles of saturn and rahu are different. Saturn is a karmic planet and in nadi it is also considered as the native for both male and female, like Guru and Venus.

Moreover Saturn is a karaka for work/job/profession and its combination with various planets gives the result about work/job.

Rahu is a destroyer of animate things and multiplier of inanimate things.

The difference between two planets is obvious in nadi astrology.

Raam Sir, What Rank do he hold and which division he is works for please share.

Thanks Sir. One more question. During lunar eclipses we have moon + rahu combo with sun + ketu in opp house. What diff will it make as against normal moon + rahu

During eclipses the nodes that is Rahu/ketu gets more power and sun and moon lose their powers.

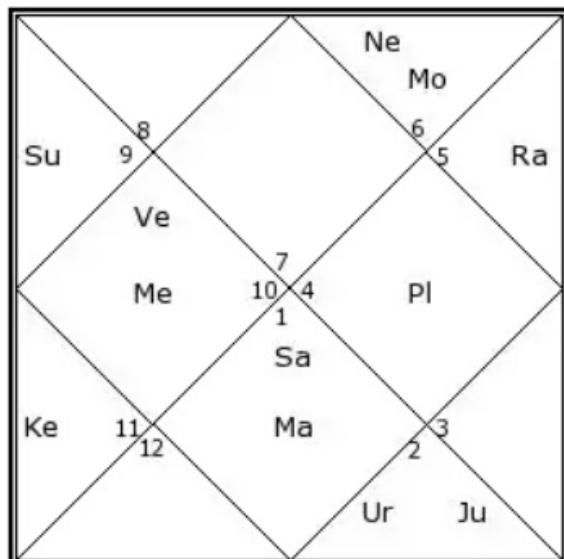

Hence if a child is born on an eclipse time/day the father and mother are affected most. I know one case of child born on solar eclipse had an effect on his father who becomes ill suddenly with acute head ache. The head

ache continued for months and he stopped going to office and ultimately i had to take him to a psycahtrist

Rahu on positive side works like Jupiter.

Moon + Saturn is not that much adverse as much negative Rahu.

## Stephen Hawking's Horoscope

Gurus,

Shall we discuss the chart of  
Stephen Hawking

Born 8 January 1942 in Oxford, England

The purpose of the soul in each birth is to live through his past karma and evolve towards self realization, and it is the rahu ketu axis in the birth chart which indicates the purpose of the soul in the present birth. Ketu in the chart indicates the past and all that has been achieved and rahu the future or the areas that should be focused on.

Good Morning everybody....in one chart rahu is in Mithuna having 29-02-16 digrees & moon in cancer having 02-29-21 degrees...Sir please tell me are they in conjunction ...it is a chart of mesha lagna...

Rahu has moved away from moon. moon is also moving away. Hence there will not be much problem.

There msy be problem to the mother at the time of child birth and initial years only

When the child grows less and less problem

If we see the degrees of all cusps then then we can see in cusp kundli they are together in fourth cusp ...that is the reason I made this query...

Thank you so much sir...

Ketu should placed either in 8 the from lagna or 12 the pisces someway connected to Jupiter and Saturn too.

Getting self Realization is Bliss in these Janma.

Here Moon & Rahu are in adjacent Signs and there is no other Planet/s in between both. Also they are moving away from each other.

So, there is not much negative influence, though mother might faced some issues.

For Native's own health condition, whole chart need consideration.

No House/Cusp system is followed as per BNN.

Ok Sir ...thank you so much ....

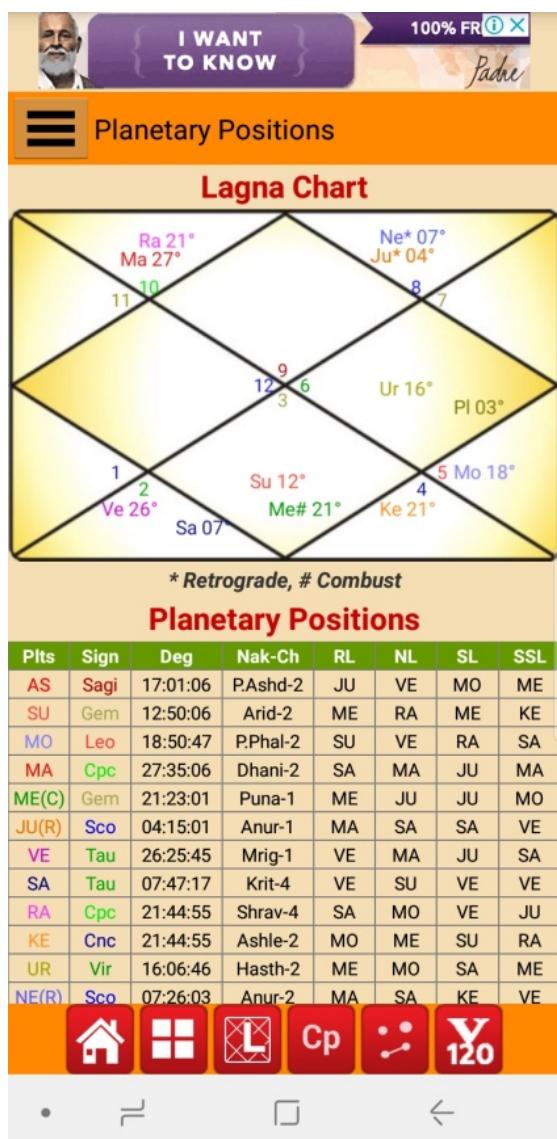

This details I do not have. However he is proficient in computer application of all nature and depth knowledge of astronomy. But not of higher rank like air comedor etc.

Thanks a mill

I know someone who is director of DRDO.

: Defence Research and Development Organisation

: Actully i am looking some special combination for Research ( PHD ) engineering specially developing war aircarft equipments.

Look at this chart a millionaire, Phd, inventor, world famous Rahu is a karmic planet. Please confirm.

Ra/mars, ra/venus, ra/sat, mars/venus, mars/sat. Venus/sat are major combination for all thd wralth, invention and Phd.

Jup/venus, jup/sat. Jup/moon ,ra/ju, mar/jup are all supporting.

Still he would have been aloof mentally and philanthropist because of jup/ke.

Note jup/ is vakra

As the topic on hand is moon/rahu, i do not want to elaborate on this chart. Let us discuss step by step and the agenda will be set by Jeetuji. His Name is Elon Musk

Sir ... A little help is required ... my mobile had malfunctioned and caused some data lost from its memory ... 08.03.18 to 13.03.18 ... can you, please arrange those posts to have furnished here by any means ! It will be very much helpful ... Thanks ...

- Connecting the Souls

Interesting moon-ruhu shared by virtuous Mahatma Gandhi and infamous Charles Manson, in terms of sign, application/separation and influence of Saturn.

Gandhi has the combo in cancer where moon is strong, Manson's in Capricorn, the enemy's camp.

Gandhi's is separating, reducing effect/malice, while Manson's moon is rushing into the demon's mouth.

Neither native has any aspect/association to the combo except Saturn. Manson's moon passes thru the mouth into the hands of her enemy, strong in his house. Saturn touches mars next. His Ketu in cancer inhibits Manson's mind.

OTOH Gandhi's southern direction has Rahu-saturn- moon so his mind has passed this turmoil, it recedes, and heads for Leo=government. Saturn here is affected by tenant Ketu, spiritualizing, fasting; Saturn touches Ketu next.

Just a thought very informative... Good analyse

Rahu with Moon enhances the power of imitation, visualization, imagination.

In this case if Moon is strong above applies to moon realted things ( Karatavas) .

They indicate retrograde movement

Mutual exchange play a good role we must look at it

On the other hand you may refer the HTML shared which contains all chats since I joined her: Here: Exchange is important again in Nadi Sir y moon is given Karaktatwa of red colour

Can I post one kundli with moon+ Rahu?

Moon + Rahu applying. Amitaji was your mom very possessive and over protective about you? Is headline and life line attached for good over an inch on your palm?

There is a sense of "vision" and seeing beyond what others see, I think, if the combo is well supported. This is an unsubstantiated feeling I got when reviewing my moon-rahu charts

[Yes

: At present Rahu mahadasha

These kind of chart no acceptable please use standard software's to generate Charts

Good that you have financial crises. Else there will be health issues.

[: I try to cure any health issue with the help of ayurved mostly  
Blessed one

Yep you are correct

Which type of health issue or disease ?

What is the effect of rahu over natal Saturn & simultaneously Jupiter over natal rahu. In recent few days I got 4-5 horoscopes & all came with a issue,

either they are not happy in job or there is a fear of job loss, or change will happen. Jeeva & karma karka both under rahu/ketu influence always cause issues with job or in general a bad period?

Blood pressure or Heart related

Job change

Ok??

Ok but rahu over natal Saturn could mean job change, but if Saturn over natal rahu also means the same?

If Saturn poor Rahu will expand poor

[Yes

: You may verify in your chart

: Note: their are no planets in trine to Saturn

My rahu & my Wife rahu both in scorpio & Saturn transited over it & we both didn't have a job change in 3-4 years

Sudden Job loss or Fraud in business.. preplanned

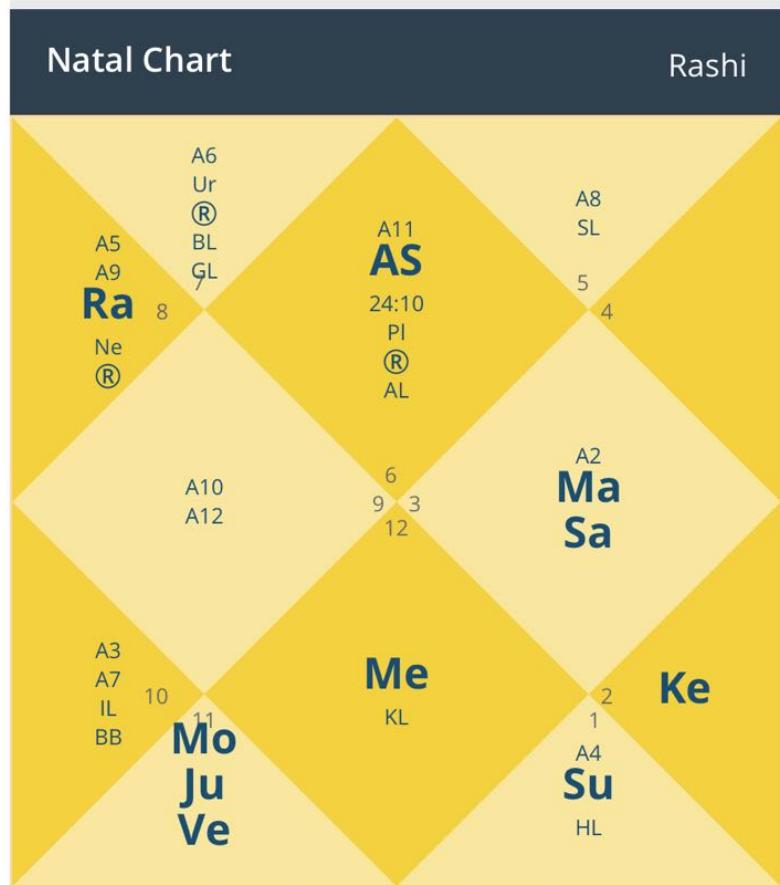

As Nadi says alone planets cannot give any results

Natal Other planets in trine ?

Then rounds of Jupiter. You have consider this aswell

: Becuase we are on Nadi

Despite of everything you are person who do not interfere in matters cool and humble ?

Once in 2003 June Saturn over natal sat. Rahu over ketu & got another good job immediately

That I am thanks

Again you are financially well sounded despite of problems

: You must look for Ayurveda / home remedies for your health problems  
I know the reason from Prashar & Jamini point of view. I want to understand from Nadi point, does it reflect the same.

You are in astrology because of mercury

By gods grace no health issues so far, except little healthy

You are kind of group leader as well ?

: Venus

: Do you have throat issues ? Or 2nd house issues

During the same period got lot of money by sale of Property & losing job got almost a year package as it was my 10yrs of service

No throats issue except I am a smoker

Your Rahu says that you are very particular on your writing and communications

[: You may have serious issues to throat

: You are advised to take care on these

Reason?

: May be unknown ?

My wife calling for food lemme run

Any other scholar who can throw some light on nadi job loss rule?

Saturn over rahu or rahu over Saturn not necessarily will give job change.  
What other conditions simultaneously should apply for a change?

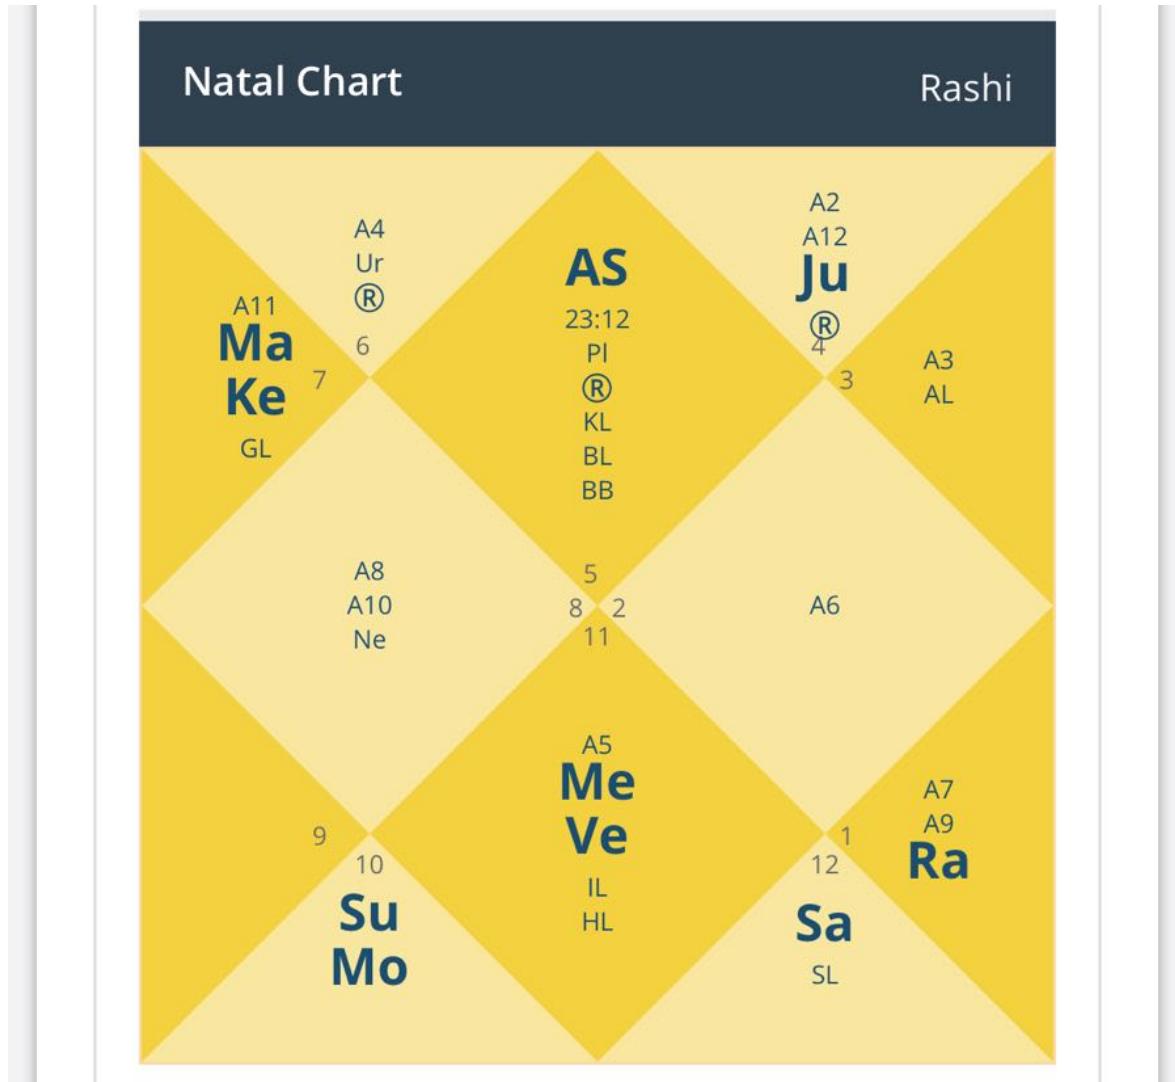

Well i think only Mr Subramanian can give concert ans on this i found his understanding was great

I think simultaneously Jeeva Karka also should get connected with RK axis to drive a change?. Let's hear from the scholars

Sun , U mean sun under RK axis ?

Whenever transit Saturn touches natal sun, there will be change/growth in career. This rules works very well

Based on parashar aspect

[: This person is moving from Singapore to London as the Bank closing operations in Singapore.

Rahu over natal jup & jup over natal mars& ketu

Sir I want to share one kundali of Rahu+moon

This man will have good happening life now

Jup is about to cross ketu axis

Is there a rule which says good happening as soon as jup crosses RK axis?.

What is degree of venus

Body	Degree	Jamini KARKA	Rashi	Naksha
AS	23:12:46.4		Le	Poorva
Sun	24:44:27.8	AK	Ca	Dhanistha
Moon	03:41:31.2	DK	Ca	Uttar Aswini

Rahu	17:37:39.6		Ar	Bharani
Mercury	09:17:23.3	BK	Aq	Satabhi
Venus	16:21:37.9	AMK	Aq	Satabhi
Ketu	17:37:39.6		Li	Swati

I think Ketu is moksh karak that is away from desires or least worldly attachment so a separating planet. Sat is karma and connection with ketu in transit either may change or cause loss of job.

This should only can when promised in birth chart

No. Can't be.

This chart has Malasree Yoga. I am right Ram Prakash Ojha ji

Jup Saturn Moon

Any Retro Planets here Dharmendra

: Dharmendra ji do this person have some artistic talent ?

Sir I had 3 losses in job, but none happened when either ketu was over natal Saturn or Saturn over natal ketu.

He has jup retro & no artistic talent

Umm, I was interested on other planets

My understanding director is not seen as Sun is not supporting with Saturn

Can anyone member creat the PDF for Moon + Rahu Conjunction?

Please upload in group with title of Group:

So, that we can start with next topic.

Thanks. Jitender ji, Is this ok to check, if between moon and Rahu there is another planet (saturn - r), how the effect of moon and rahu will be.

Eg. Rahu + saturn (r) + moon. Moon approaching to Rahu, Rahu to moon. But saturn is between these two. Saturn going away from Rahu towards moon. This could give some interesting application. There is one something very good app. I will share which of those are valid since it is in my horoscope.

Here saturn retro means that saturn is moving towards rahu abd moon is going away from rahu and saturn.
